But the greatest of these is love.

MISSIONARY MOMENTS

For our missionary prayer time today, we head out West to Timnath, Colorado, which is on the east side of the larger city of Fort Collins. That's where Kelly and Brandy Parrish went to start a new church called Living Rock Church. They moved from home in Texas to a place where they knew nobody. But as they made this big change, they also prayed for God to give them a great love for the new people they would meet in Colorado. The Parrishes come up with lots of ways to get to know the people in Timnath. They have invited people in for southern-style sweet tea and taken people fly fishing. They gave out Bible verses with candy at Halloween. At Easter they held Easter egg hunts. Gradually people are coming to faith in Christ and Living Rock Church is growing, one person and one decision for Christ at a time. We are supporting Kelly and Brandy in their ministry through our church's Cooperative Program giving. Now, let's pray for God to bless them as they serve Him. And let's ask that many will come to faith in Christ.
