

APRIL MEMORY VERSE

The one who plants and the one who waters work together with the same purpose.
And both will be rewarded for their own hard work.

MISSIONARY MOMENTS

We want to pray for two of our North American missionaries today. Wes and Adrienne Walls have started Dwelling Place Church in Seattle, Washington. We support them through our church's Cooperative Program giving, so of course we want to pray for them. But we also need to pray for them because we have sent Wes and Adrienne to a very difficult place. About 4.7 million people live in the Seattle area and only a small number are Christians. So when Wes and Adrienne start talking to someone, they have to assume two things: that the person does not know anything about Jesus Christ or the Bible and that there's no telling what the person does believe. A while back they talked to a lady working in a coffee shop. She said she wanted to tear down the government and that she was looking to find spiritual enlightenment through Eastern religions like Buddhism and Hinduism. They kept talking to her, and one day she agreed to come to a Bible study. Today, let's pray that the Lord will bless Wes and Adrienne with opportunities to share the gospel with people and that their church will grow quickly.
