MISSIONARY MOMENTS

Today we want to pray for Jason Vance who serves in Surprise, Arizona, which is in the north-western part of Greater Phoenix. Let me ask you something. What if you were called to start a new church in a place where more than 100 other church planters had tried to start churches and failed - just gave up and left? That's exactly Jason's situation. Surprise has grown very rapidly. Today more than 120,000 people live there - three times the number there in 2000. So there's a big need for churches. But there are only two Southern Baptist churches in town and, besides Jason's, just one other new church being started. For now Jason's church, Valley Life Church, meets in a high school. They have to set up chairs and equipment and then tear it down every Sunday. Despite all this, they are reaching people. A while back they baptized a young woman in her 20s, another young woman in her 30s, and then Mary, who is 72. We support Jason in this challenging place through our Cooperative Program giving. Let's pray for him now. Pray he will succeed in planting a healthy, growing church that will be a source of Living Water in that dry land.
