The Director Speaks . . . Donald Hintze

Brad Brisco is a North American Missionary that works in the Kansas City area. He will be with us on February 28 for the day. We will have him speak on some topics that are covered in his book *Missional Quest*. We will start at 9 and go to 12. This meeting is for Pastors; staffs and interested layman. We will have other meetings with Brad during the day. I had the opportunity to hear Brad this past summer at our Texas Director of Missions Meeting. He is a very good presenter and I felt that you guys needed to hear what he has to say. He is speaking to our time. He will be in Texas for the week and will be in 5 or 6 other associations. I feel very fortunate to be able to have Brad with us.

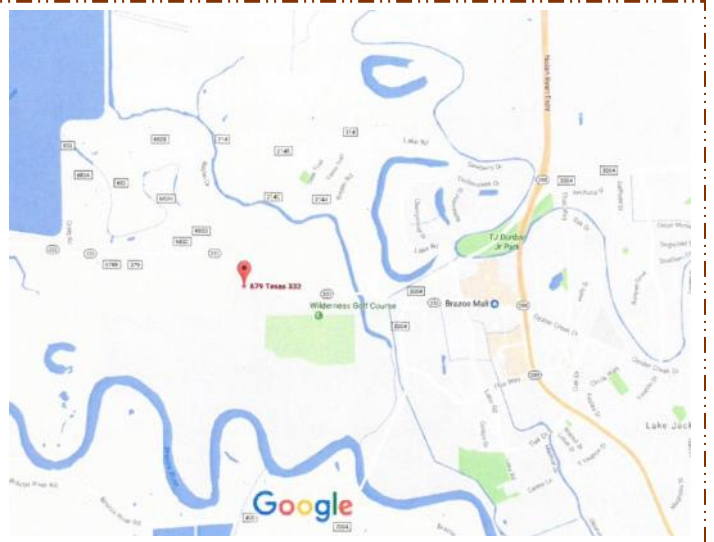

Please let Debbie know if you are going to attend. You can find more biographical information in this edition of the Breeze.

Pastors, Staff and Wives Retreat will be this month. This is a time to spend some quality time with your wife and also to connect with some of your fellow labors in GCBA. We have several first time guys and we are glad for that. Looking forward to a great time together.

I had coffee with a young church planter this morning that wants to join our association. I began to talk about us and what we do. I began to tell him what we expect of him and what we offer. The number one thing that I told him was we want him to belong. I am so glad to be able to say that we have folks in GCBA that love each other and are glad to cooperate for the purpose of the Kingdom. It is good to be part of GCBA where we laugh together and then are able to work together.

Donald
