Pandemic Response
The Flu and Coronavirus
Liberty Baptist Church

Liberty desires to be good stewards of the health and wellbeing of its members. The following guidelines of preparedness will be evoked in the event of a widespread communicable disease.

**Level 1: Caution**

Communication: The senior pastor will announce Level 1 response as he deems appropriate. Communication will be made through the phone tree and in public gatherings.

Prayer: Liberty will pray for effected families and individuals. Prayer is always our first ministry.

Attendance: Liberty will honor the Lord with a full schedule of worship, Bible study, small groups and ministry. If you are symptomatic you are urged to stay home and consult with your doctor.

Ministry:
1. Members and attenders are encouraged to refrain from shaking hands and hugging. Show Christian affection by saying, “I love you in the Lord.”
2. Members and attenders are encouraged to utilize hand sanitizers and dispensers located throughout the building. Additional ones will be made available.
3. Members that need nonmedical care beyond what is provided by family may contact the church office or pastor via phone (770-461-5644) or email (rwood@lbcfayette.org).

**Level 2: Warning**

Communication: Level two response will occur when a sizeable segment of the population is infected. The senior pastor will announce Level 2 response through the phone tree, church website and in public gatherings.

Prayer: Liberty will pray for effected families and individuals. Prayer is always our first ministry.

Attendance: Liberty will honor the Lord with attendance in Sunday morning worship only. All other gatherings and events are suspended. If you are symptomatic you are urged to stay at home and consult with your doctor.

Giving: If you are unable to attend, tithes and offerings are encouraged through traditional mail or online giving at our website: www.lbcfayette.org.

Ministry: Same as Level 1.

**Level 3: Severe Alert**

Communication: Level 3 response will occur when a pandemic reaches our local area. The senior pastor will announce Level 3 response through the phone tree and website. All public gatherings including worship, Bible study and ministry groups will be suspended.

Prayer: Liberty will pray for effected families and individuals. Prayer is always our first ministry.

Attendance: In substitute of public gatherings, there will be weekly Wednesday Bible study and Sunday morning worship located on our website: www.lbcfayette.org.

Giving: All members are strongly encouraged to give tithes and offering through online giving at our website portal or through traditional mail.

Ministry: Ministry will be conducted on the phone and through other electronic means. Members that need nonmedical care beyond what is provided by family may contact the church office or pastor via phone or email.
