

### **God's Righteous Choices, Romans 9-11**

Man is Responsible for Unbelief: Romans 10:16-21

This passage tells us that Israel chose to live in unbelief, like many do today. Despite God's election, we are responsible for our choices.

- I. Not all people accept the Good News (10:16).
- II. Man is without excuse because they have heard the Word of God (10:17-18).
- III. Many people hear the Word and do not believe (10:19-20).
- IV. Many people are simply disobedient and obstinate (10:21).
