

New Testament Fishing

Instructions

- Write each book of the New Testament on a 3x5 piece of paper (or use a book shape!)
- Option: Write each section in a different color
- Laminate pieces for durability.
- Add a large paper clip.
- Create a fishing pole from a dowel (opt for a short dowel for safety) string or yarn and a strong magnet.
- Option: Write up an instruction sheet for the children or a helper (follows).

New Testament Fishing

What is the first book in the New Testament? Fish that book! Fish the book that comes next. Take turns fishing until you have caught all the fish in order. If you catch a book that is not in the right order, it has to go back in the pond!
