

## Ping Pong Bible Books

- Gather 2 6-cup muffin trays and ping-pong balls (the game needs 1, but extras on hand are a smart idea!). The Dollar Store is a great place to find these.
- Make 12 circles out of blank index cards, heavy weight paper, or construction paper.
- On one side write 12 random Old Testament books. On the other write 12 random New Testament books. Use different colors for the New and Old Testaments.
- Option: Write up an instruction sheet for the children or a helper (see next page).

### Ping Pong Bible Books

Place the 12 circles into the trays, using either the New or Old Testament books.

Bounce a ping pong ball into a tray. Recite the book that comes after that book.

**Challenge!** Bounce a ping pong ball into a tray. Recite the book that comes **before** that book.

**Challenge 2!** Say the book before and after and what section it is found in.
