

Bible Fact Concentration

Instructions:

- Attach 16 pockets to a piece of poster board - library pockets like these can be ordered from oriental trading or staples (staples has free shipping for reward members).
- Write #s 1-16 on the pockets.
- Write Bible questions on 8 index cards and answers on the other 8. Option: print from your computer on heavy weight paper (cover stock).
- If the children are just learning the facts,

write question/answer set in a different color. For review write all the q/a's in one color

- Post on a bulletin board.
- This is a great way to review Bible facts as a class or for a small group. Split the class into teams. Teams will take turns calling out 2 numbers. If the cards are a match (the question with the corresponding answer), than the cards are clipped to the outside of the pocket with a paper clip or small clothespin. The game is played until all the questions have been answered.

Option:

For kids to learn on their own or with a friend or two, clip the question card on the outside of the pocket & place the answer inside so they can check their answer. Here a display board is used so the game can be even played while children on sitting on the floor.

Here are some ideas to get you started!
