Pure Water, Pure Love has a three-fold mission: to supply missionaries with water filters, to provide the people they serve with wells that offer clean water and to supply missions teams with water filters for use on short-term missions trips. Throughout the world, people are at constant risk of contracting a disease or parasites from their water. Many are forced to carry heavy jugs of water for miles just to be sure their families have clean, healthy water. For others, the prospect of clean water is simply non-existent. Pure Water, Pure Love provides thousands of water filters to missionary families and helps fund clean water projects. During February you can give to support Pure Water, Pure Love in our church. Designate your gift to "Pure Water, Pure Love."

Welcome to our Guests!

Our church family is delighted that you have joined us for worship today. So that we may get to know you better, please take a few moments to fill out this card, detach it and put it in the offering plate or give it to the Pastor after the service.
