**Why Is Vacation Bible School Important?**

As many as one fourth of all baptisms in Southern Baptist churches can be tied directly to VBS conversion experiences. In a recent study by the Barna Research Group data from churches showed the probability of someone accepting Christ after age 14 dramatically drops. We must reach the children with the Good News and VBS is one effective way.

**82 percent of people are likely to attend church if invited by a friend or relative.**
