### CHURCH SOUND FOR WORSHIP

The sound system of our church has not been upgraded in over 20 years. Imagine driving the same car, or having the same washing machine that you owned 20 years ago! Even if you do, what kind of shape are they in and how much money have you spent to keep them going? Our church has set up a fund to which people may give a donation to help us upgrade our sound system. This upgrade will also allow us to digitally record and live stream our services over our website. \$16,000 is needed for this upgrade which is about half of what our current sound system cost when it was newly installed. To give a special offering to this fund make you check out to Whitewater Baptist Church and designate it for “sound system.” Thank You!

### Welcome to our Guests!

Our church family is delighted that you have joined us for worship today. So that we may get to know you better, please take a few moments to fill out this card, detach it and put it in the offering plate or give it to the Pastor after the service.
