The Safety & Security Team, Deacons, Trustees, Penny, and Pastor Matt are in ongoing conversations to make sure that the **Safety and Security Policies and Guidelines**, that will eventually be presented to the church, will provide for the safety of our members, comply with existing laws, and allow us to experience the full benefits of our church insurance policy. We are not yet at a place where we can present the Policy and Guidelines to the church so we will postpone its presentation to a future business meeting and vote on it at a later date. The current document was e-mailed a few weeks ago and a few copies are available for check-out from the church office.

Please note: Due to the large number of prayer requests, the Weekly Prayer List is now available at the Welcome Center on a page that will conveniently fit into your Bible.
