What is Stewards of Children?

Using the 5 Steps to Protecting Our Children as a framework, *Stewards of Children* is a two-hour training that teaches adults practical actions to prevent child sexual abuse or intervene if abuse is suspected. Featuring compelling and engaging content to motivate participants, the program is designed for parents, concerned individuals, and any adult that works with youth. Through *Stewards of Children*, over 1,000,000 adults have been trained to protect children from sexual abuse.
