MFUGE- June 11-16

What an amazing God that we love and serve. He really moved in the hearts of all of us during Dnow this year. Lots of walls were broken down and new relationships with Jesus were started. Many of you started the 30 day devotional during that weekend. I pray that the devotional is still helping you as you draw closer to Jesus. Anytime that we get into the Word, we will find truths and direction that will help shape our lives. I encourage you to stay in the Word as this will help to continue the growth that is happening with your relationship with Jesus.

From Student Devos

Jesus told him, "I am the way, the truth, and the life. No one can come to the Father except through me. – John 14:6 (NLT)

People make the mistake of thinking there are many ways to get to God. They say that all religions will point you to the same God. They say it doesn't really matter how you get there, just do what way seems like the right way for you. However, this is not what Jesus says. In this verse, Jesus says that He is the only way to God. He says that He is the truth and the life and that no one can come to the Father (God) except through Him.

If Jesus is the only way to God the Father, then anyone who is trying to come to God without going through Him are missing it. It may seem harsh but it is the truth. No one can reach God without Jesus. In reality, we all are in a hopeless situation without Jesus. We are unclean and sin without even knowing it. We desperately needed Jesus. God loved the world so much that He sent Jesus to be the answer for all mankind.

So how do we get to God then if Jesus is the only way? We must humble ourselves and stop relying on other ways to get to God. We cannot get to God through trying to be good enough, trying to do religious acts or even trying not to sin. We have to stop all of that and simply believe completely on Jesus. Even if you're already born again, the same way you receive Jesus is the same way you continue on this journey with God... completely through Jesus

BIG QUESTIONS

At Sunday School they were learning how God created everything, including human beings. Johnny was especially intent when the teacher told him how Eve was created out of one of Adam's ribs.

Later in the week his mother noticed him lying down as though he were ill, and said, "Johnny, what is the matter?"

Johnny responded, "I have pain in my side. I think I'm going to have a wife."
