February 2017
Volume 13, Number 2

Founded in 1888 and organized by a handful of women dedicated to the cause of missions, the main purpose of WMU is to educate and involve preschoolers, children, youth and adults in the cause of Christian missions. Woman's Missionary Union (WMU) is a cooperating partner with the Southern Baptist Convention. WMU assists churches in developing and implementing a comprehensive strategy for missions in order that a church can fulfill its total mission in the world. Through

WMU Christian believers are challenged to understand and be radically involved in the mission of God. Financial support for WMU-NC is provided through the Heck-Jones Offering which is being received during the month of February. **We will learn more about the work of WMU at Hermon on Baptist Women's Day, February 12th.**
