Sermon Series……..
OUR WORLD VIEW
In 2016, Lifeway Research released a study of a father’s impact on a child’s faith. Some interesting statistics stood out as I read the research. First, if a father does not attend church, only one in fifty children will become regular worshippers. However, if a father attends church even irregularly, then about half of their children will become regular worshippers. But if a dad becomes a regular church attender, then around 70% of their children will become regular church attenders as well. Second, if a child is the first to accept Christ in a family, then typically 3% of their family will become Christians as well. If a mother is the first to become a Christian, then about 17% of the rest of the family will make decisions for Christ. But, if the dad is the first to become a Christian, then 93% of the rest of the family gets saved. Fathers, realize your leadership, not just on Father’s Day but throughout your life, makes a major impact on those around you. I also read that Father’s Day is typically the lowest church attendance day of all the holidays. I want to challenge all dads out there to get your kids to come with you to church, not just on Father’s Day but throughout the year.

Please be in prayer for our Kids Camp June 10-14. Our theme is Splash based on John 4:14. Be watching for pictures on our church Facebook Page that week.

Be praying for, and inviting, children to “In The Wild!” Vacation Bible School July 21-26! We need your help!

As always I love you and I love being your Pastor! Happy Father’s Day to all my fellow fathers out there!

Al’s ½ Note

Driving around Auburn you can’t help but notice the many gardens that have been planted. Looking at each one on an individual basis, you can tell the time and effort that has gone into each and every garden. Some gardens show what the people were desiring, plants that are nutritious, wholesome, and nourishing that will contribute to their overall health. These gardens also exhibit the amount of work that has been put into them and the additional concern put into them by making sure there are no pests, animals, or disease that might inhibit the positive growth that is desired. On the other hand, there are gardens that don’t exhibit the same amount of tender loving care. The more time, care and concern that is put into gardens, the better they produce. Our earthly garden is parallel to the Word of God in our heart as we are told in Luke 8–“A farmer went out to sow his seed. As he was scattering the seed, some fell along the path; it was trampled on, and the birds of the air ate it up. Some fell on rock, and when it came up, the plant withered because it had no moisture. Other seed fell among thorns, which grew up with it and choked the plants. Still other seed fell on good soil. It came up and yielded a crop, a hundred times more than was sown.” Our hearts and minds need to be fed with the Word of God. We are told “not to forsake the assembling ourselves together.” When tough times come our way, what will happen? We need to stay plugged in to the Power Source, the Word of God. How is the garden of your heart? Is it regularly cared for and fed as the Lord intends? Come! Let us come before the Lord and worship the King of kings and Lord of lords! May we exalt and lift up our Savior in worship. He gave His all for us. What does He receive in return from us? How do others see the garden of your life? How fruitful are you?
Join us weekly for:

**The Gathering**
Sunday 9:30am

We will resume Wednesday Youth Group on August 21st.

**************************

- **ONE person you’re praying for and sharing the gospel with in 2019.**
