From My Heart to Yours

As I think about the New Year of 2024, the number 24 immediately jumps out at me. Each day consists of 24 hours consisting of 60 minutes each and each minute consisting of 60 seconds. The number 24 reminds me that my time is measured and limited. Psalm 90:12 says, "Teach us to number our days that we may gain a heart of wisdom." Our days are numbered here on earth. I don't know how many days I have left in my life, but I want each day and each moment to count for Christ. In the Fox TV series, "24" starring Kiefer Southerland as Jack Bauer, Jack Bauer was a federal counter-terrorist agent faced with stopping terrorist threats against our nation. Each season covered one 24-hour day in which Jack Bauer heroically stops a new threat and each episode covered one hour of that day. We too have a 24-hour mission to live each day to honor and glorify the LORD Jesus Christ and to make Him known throughout our world to those who have never heard the Good News. As we begin this New Year of 2024, let us commit to give each day to the Lord and make each moment count for Christ. As a church, let us commit to helping others feel like they belong here at Meadowbrook as part of God's family. Let us pray for and encourage others to believe in the Lord and grow in Him. Let us discover how God has gifted each of us and become involved in exercising those gifts to serve Him and minister to, and reach, others for Christ.

I am still rejoicing in the seven baptisms that we celebrated last summer and praying for even more in '24 to come to know and trust in Jesus as Lord and Savior.

I love you and I love being your Pastor!
Join me in making every moment count for Christ in 2024!

Thank you!
