

Enlighten

Edition: February 2018

Mark's Remarks:

I am excited about our inaugural edition of a church newsletter. Our church staff prays that this will be a helpful tool in effectively communicating what's happening at FBC Reamlap.

It almost seems that there have been a record number of people sick as well as numerous deaths related to the church and community. What a privilege it has been to pray for those who are experiencing sickness and/or grief!

I began 2018 preaching through the book of 1 Samuel on Sunday mornings. I am leading a study through RightNow Media on Sunday nights by Tony Evans. We are discussing the books of 1, 2, and 3 John. On Wednesday nights, I am teaching through the book of Galatians. If you are not involved on Sunday nights or Wednesday nights, we would love to have you in one of our studies. Everyone has access to RightNow Media through our church's subscription. Let me encourage you to check it out if you have not already done so. There are videos for children, youth, men, women, parents, finances, discipleship, and so many more areas. If you need more information on how to access the material, please let me know.

FBC Reamlap is hosting a workshop through RightNow Media on Friday, February 23rd. It is entitled, "Work as Worship." The cost for the workshop is only \$25 per person. We spend a lot of our lives at work. We should not dread going to work, but should see work as the mission field to which God has called us. Be sure to check out this opportunity and invite your Christian friends as well.

It is a joy to be your pastor,

Bro. Mark
