REMLAP REUSABLES & RESOURCES

- Lisa Underwood would like to know if anyone knows of a doctor that will make house calls.

If you currently have unwanted/unused items around the house that you wish to donate, or if you need an item, email the church office to have these items listed in the next newsletter.

Also, if you have a skill set that no one knows about and would like to earn extra money doing this task, we will also include this in the newsletter.

All information must be sent to the church office by the third Wednesday of each month to be included in the upcoming Edition of *Enlighten*.
