*Happy Mother's Day*

"Her children arise and call her blessed; her husband also, and he praises her. Many women do noble things, but you surpass them all."—Proverbs 31:30

We have never been where we are today as a nation. While division abounds in almost every segment of America, it is time to cry out to God in prayer for America. No longer can the people of God be silent before the Lord. We need to call out to God passionately and urgently until the glory of God is experienced in every corner of our nation. Division abounds in almost every segment of America. Sadly, it exists even between Christians and in most churches. For too long, disunity has triumphed in our nation. It is time for this to come to an end. Our greatest hope lies only in Jesus Christ, His Gospel, and the advancement of this Good News message reaching every corner of America and across this world.

—Dr. Ronnie Floyd

**NEVER BEFORE HAS THERE BEEN A MORE URGENT NEED FOR  
CHRISTIANS TO BE IN PRAYER FOR AMERICA AND OUR LEADERS!**
