# 2018 Ministry Plan

## Northridge Baptist Church

After much thought, prayer, and conversation, our youth group has decided to change our ministry focus this year from Operation Christmas Child to local missions. Much of this will involve serving the homeless in our community. As you can see below, we will ask for small items every month to keep our giving closet supplied. However, every two months, we will have a larger focus as well. These will be the items we will give out on our ministry days, along with small blessing bags. As we serve our local community, we are not only asking for your help in bringing in items, we'd also love for you to join us on the days we actually go and serve. Thank you in advance for all your help!
