Phil Winningham, Senior Pastor Boone's Chapel, Prattville, AL

Find something that you love doing & you'll never work a day in your life...& all the people say, "Yea right!" The truth of the matter is hard work is hard, but when passion is your driving force the work becomes a pleasure. So it is with our "work" here at Boone's Chapel. My wife, Susan, two sons, Kyle & Caleb, & I visited Boone's Chapel over ten years ago & we've not considered leaving since that first visit. Never did it cross my mind that one day I would serve as the pastor at Boone's, but I am & what a great honor it is. The Bible says, "Delight yourself in the Lord & He will give you the desires of your heart." Being a small part of what God is doing at Boone's Chapel is the "desire of my heart." My future plans are to continue to delight in the Lord & so by faith I expect that He will continue to far exceed anything we could ask or think could happen at this church we often refer to as **MY CHAPEL**.
