

Privacy Policy

Protecting your private information is our priority. This Statement of Privacy applies to the TeamXStream.com and Elevenpast Enterprises LLC and governs data collection and usage. For the purposes of this Privacy Policy, unless otherwise noted, all references to Elevenpast Enterprises LLC include TeamXStream.com and TeamXStream. The TeamXStream website is a ecommerce site. By using the TeamXStream website, you consent to the data practices described in this statement.

Collection of your Personal Information

TeamXStream may collect personally identifiable information, such as your name. We may gather additional personal or non-personal information in the future.

Information about your computer hardware and software may be automatically collected by TeamXStream. This information can include: your IP address, browser type, domain names, access times and referring website addresses. This information is used for the operation of the service, to maintain quality of the service, and to provide general statistics regarding use of the TeamXStream website.

Please keep in mind that if you directly disclose personally identifiable information or personally sensitive data through TeamXStream's public message boards, this information may be collected and used by others.

TeamXStream encourages you to review the privacy statements of websites you choose to link to from TeamXStream so that you can understand how those websites collect, use and share your information. TeamXStream is not responsible for the privacy statements or other content on websites outside of the TeamXStream website.

Use of your Personal Information

TeamXStream collects and uses your personal information to operate its website(s) and deliver the services you have requested.

TeamXStream may also use your personally identifiable information to inform you of other products or services available from TeamXStream and its affiliates. TeamXStream may also contact you via surveys to conduct research about your opinion of current services or of potential new services that may be offered.

TeamXStream does not sell, rent or lease its customer lists to third parties.

TeamXStream may share data with trusted partners to help perform statistical analysis, send you email or postal mail, provide customer support, or arrange for deliveries. All such third parties are prohibited from using your personal information except to provide these services to TeamXStream, and they are required to maintain the confidentiality of your information.

TeamXStream will disclose your personal information, without notice, only if required to do so by law or in the good faith belief that such action is necessary to: (a) conform to the

edicts of the law or comply with legal process served on TeamXStream or the site; (b) protect and defend the rights or property of TeamXStream; and, (c) act under exigent circumstances to protect the personal safety of users of TeamXStream, or the public.

Use of Cookies

The TeamXStream website may use "cookies" to help you personalize your online experience. A cookie is a text file that is placed on your hard disk by a web page server. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned to you, and can only be read by a web server in the domain that issued the cookie to you.

One of the primary purposes of cookies is to provide a convenience feature to save you time. The purpose of a cookie is to tell the Web server that you have returned to a specific page. For example, if you personalize TeamXStream pages, or register with TeamXStream site or services, a cookie helps TeamXStream to recall your specific information on subsequent visits. This simplifies the process of recording your personal information, such as billing addresses, shipping addresses, and so on. When you return to the same TeamXStream website, the information you previously provided can be retrieved, so you can easily use the TeamXStream features that you customized.

You have the ability to accept or decline cookies. Most Web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer. If you choose to decline cookies, you may not be able to fully experience the interactive features of the TeamXStream services or websites you visit.

Security of your Personal Information

TeamXStream secures your personal information from unauthorized access, use or disclosure.

Children Under Thirteen

TeamXStream does not knowingly collect personally identifiable information from children under the age of thirteen. If you are under the age of thirteen, you must ask your parent or guardian for permission to use this website.
