UAA ANNOUNCES 2024-25 WINTER ALL-ACADEMIC RECOGNITION

950 UAA STUDENT-ATHLETES RECOGNIZED FOR ACHIEVING GPA OF 3.300 OR BETTER

The University Athletic Association has announced its winter listing of student-athletes to be honored with All-Academic Recognition. The winter academic honor roll includes 951 student-athletes representing teams participating in the five men's and four women's winter sports for which the UAA sponsors competition.

Within the UAA, All-Academic recognition is awarded to student-athletes who have completed at least one full year of college study and who carry a minimum cumulative grade point average of 3.300.

The 951 recipients of UAA All-Academic Recognition represent approximately 81 percent of the total eligible UAA student-athletes – members of all teams who have completed at least one year of undergraduate study. Percentages varied by institution with a high of 93.7 percent of eligible student-athletes earning All-Academic honors. Percentages among sports varied with a high of 83.2 percent of eligible indoor track and field athletes receiving All-Academic recognition.

The UAA Presidents Council established a program of All-Academic recognition in April 1998. Qualifying student-athletes are recognized at the completion of the fall, winter, and spring seasons each year. The honor is intended to recognize the high level of academic achievement demonstrated by student-athletes who effectively balance their significant commitment of time, effort, and energy in athletic endeavor with their highly challenging academic responsibilities.

Individuals and teams throughout the UAA have been consistently recognized for their academic and athletic achievements. During the 2023-24 academic year, 66 student-athletes from UAA institutions were recognized as Academic All-Americans, three of whom earned the prestigious NCAA Elite 90 award. Eight student-athletes were among those awarded NCAA Postgraduate Scholarship. A remarkable 259 Association student-athletes received All-America honors in team or individual sports. In addition, six UAA teams won NCAA Division III titles, and four more teams earned runner-up finishes in NCAA championships.

In the 37 years of the Association, 1,031 UAA student-athletes have garnered Academic All-America accolades and 4,653 have achieved All-America status. Seventy-two UAA teams have captured NCAA Division III championship titles with 584 posting top-10 finishes and 1,027 finishing among the top-20.
