The Psychology Behind Why Victims Return to Their Abusers

Date: 1/15/2017-12/31/2017
Online Training

Colleen Polfus, RN SANE

Target Audience: Registered Nurses, SANEs, Advocates, Prosecutors, Law Enforcement

The purpose of this presentation is to allow the learner to discuss why victims return to their abusers, how to care for victims in a medical setting, and determine appropriate resources to provide them prior to discharge.

Objectives:

1. Understand why victims return to their abusers
2. Identify potential patient risks and consequences of returning to their abuser.
3. Assist victims with establishing a safety plan if they intend to return to their abuser.

You must attend the entire class and complete evaluation in order to receive contact hours.

To register, complete this FORM in its entirety and you will be contacted with student account information. For questions or for more information, contact Shay Ramirez at shamaree.ramirez@uchealth.org or by phone at (719)365-8345.

1.0 Contact Hours Awarded (60 min. = 1 contact hour)

Registration Fee: No Cost
