Sex Offenders: Knowledge can assist SANEs in providing support to victims during an exam, and assist in assessing and promoting safety

Presented by: Kim Nash, BSN, RN, SANE-A, SANE-P  
Date: Enduring: June 1, 2017- December 31, 2017  
Time: 60 minutes  
Location: Colorado SANE/SAFE Project site/ULEarn  
Target Audience: Forensic Nurse Examiners/ SANEs

Learning Outcome(s): The purpose of this activity is to enable the learner to appropriately assess sexual assault victims by defining/describing sexual violence perpetrators’ characteristics, risk factors and methods to commit crimes.

Objectives:  
- a. Identify common characteristics and risk factors of sex offenders.  
- b. Review sex offender typologies.  
- c. Describe “The Undetected Rapist” research and review the “Sexual victimization by women” article.  
- d. Observe perpetrator confessions and interviews highlighting perpetration strategies.  
- e. Identify potential implications in patient care.

1.0 Contact hours will be offered
