2018 Program Annual Report

(January 1, 2018 – August 7, 2018)

As reported to:
JRCERT – Joint Review Committee on Education in Radiologic Technology
20 N.Wacker Dr., Suite 2850
Chicago, IL 60606-3182
(312)704-5300, www.jrcert.org or mail@jrcert.org

Number of Graduates: 26

Program Completion Rate: 96.2%, 26 of 27 students completed the program in 2018.
Annual Benchmark: 80%
Program completion rate is calculated by dividing the number of students who complete the program
within the cohort, by the number of students initially enrolled.

Credentialing Examination Pass Rate: 98.5% - 5 year (2012-2018, 133 of 135 students) average
pass rate (at 1st attempt within six months of graduating).
Annual Benchmark: 90%
Credentialing examination pass rate is defined as the number of graduates who pass the American
Registry of Radiologic Technologists (ARRT) credentialing examination, compared with the number of
graduates who take the examination.

Job Placement Rate: 100% - 5 year (2012 – 2018, 135 students) average job placement rate (within
12 months of graduation).
Annual Benchmark: 75%
Job placement rate is defined as the number of graduates employed in the radiologic sciences compared
to the number of graduates actively seeking employment in the radiologic sciences.

Number of new students who began on January 1 – August 7, 2018: 27
