The additional processing time required for all finishes is 7-10 business days.

For any finishing process, Unika Vaev recommends a fabric overage to accommodate any shrinkage or working loss. Please call your local Unika Vaev Sales Representative or our Corporate Headquarters at 800-237-1625 for the advised amount based on your order. To find your closest Sales Representative, visit our website at <http://unikavaev.com/about/contact-us>.

Fabrics under 54" wide cannot be treated with Nanoblock or Durablock.

For additional help and any other questions, please call Customer Service at 800-237-1625.
