SHARING THE GOOD NEWS!

The "Great Commandment" is found in Matthew 22:37. But the "Great Commission" is found in Matthew 28:19-20. In practically His last words, our Lord gave us our marching orders. It is to go preach the gospel to every creature and make disciples of all nations.

One of the great tragedies in the twentieth century was the sinking of the Titanic. This large ship hit an iceberg and many people died as a result.

There is another tragedy as it pertains to the Titanic's sinking. Most of the lifeboats that held people saved from death were only half filled. They were unwilling to turn back and share in their salvation.

Never let it be said of us that as we travel toward heaven's gate that we didn't try to take as many people with us as we can!
