## TRUTH

Jesus was the only preacher who made His congregations smaller with His sermons. He would have large crowds following Him and then He would say something like: "Unless you deny your mother and father, yes, your own life, you cannot be My disciple" and people would leave. Why? Because He never let the crowd control the truth.

If you are diagnosed with a disease, you do not want your doctor to spare your feelings and lie to you. You want your doctor to tell you the truth so that you can get your problem fixed. The saying, "Take two aspirins and call me in the morning" doesn't work if you have cancer.

The truth hurts, but just like a disease, you have to hear about your problem in order to address it. Never run *from* Truth ... always run *toward* it. It could save your life. It *will* save your soul!

*"And you shall know the truth and the truth will make you free" (John 8:32).*
