TO THE UNLV COMMUNITY,

At UNLV, we believe that developing a clear strategy is integral to success – both on the field and in the classroom.

The best plans are based on research, honest self-evaluation, and comparison to your competition. Successful plans – like any effort at UNLV – require teamwork, transparency, and trust in one another. Ultimately, Strategic Plans are pointless without faithful execution, candor, and flexibility.

In developing UNLV’s Strategic Plan for Athletics, we’ve incorporated the skills our student-athletes learn throughout their studies: thorough research, careful planning, cooperation, and open communication. In developing this plan, we talked directly with our athletes, coaches, alumni, donors, students, faculty, industry experts, and media professionals. Through surveys, focus groups, direct communication, and a series of planning meetings, we have crafted a Strategic Plan that takes this valuable feedback into account while remaining centered on successfully driving us forward.

UNLV’s Strategic Plan for Athletics is guided by our vision to deliver a premier student-athlete experience in college athletics -- providing Rebels the opportunity to succeed not just as athletes but also as well-rounded people. We are committed to lead UNLV Athletics within this Strategic Plan, which breaks down into six core areas: Student-Athlete Development; Athletic Excellence; Model Enterprise; Fan Experience; Community Relationships; and Diversity, Equity, Inclusion & Belonging. These areas of focus directly align with the broader UNLV Top Tier 2.0 Strategic Plan because the Athletics Department working in tandem with the University only optimizes everyone’s success.

As with any game plan, the real work starts when the competition begins. We are mindful that this thoughtful planning will prove ineffective if not applied to the real world, so our Strategic Plan must be adaptable to each unique situation. A successful Strategic Plan additionally requires cooperation and collaboration within the UNLV community. When we all know the game plan, we can play an important role in reaching our goals.

Just like its own constantly evolving city, UNLV is a unique and exciting place that looks to be proactive, innovative and a leader in the future of both education and athletics.

Guided by UNLV’s Strategic Plan for Athletics, we are moving forward – together.

Go Rebels!
