ORGANIZATION OF WORK

1. The CHAIRMAN said that the delegations had held informal consultations on item 4 and she asked the representative of Sweden, who had played a major role in those consultations, briefly to inform the Committee of the results.

2. Mr. HAMILTON (Sweden) said that although considerable progress had been achieved in the consultations, there were still several points on which agreement had not been reached. He therefore suggested that the informal consultations should continue during the afternoon so that on the following day the Committee could be sure to have before it a new text of the final report to be submitted to the General Assembly.

3. The CHAIRMAN said that if there was no objection she would take it that the Committee decided to continue the informal consultations on the understanding that it would be in a position to consider the new text the following afternoon.

4. It was so agreed.

The meeting rose at 3.30 p.m.
