Indonesia, Mexico, Nigeria, Peru, Philippines, Sri Lanka, United Republic of Tanzania, Venezuela and Yugoslavia: draft decision

Acknowledging the complex nature of certain aspects of a comprehensive test ban, especially those with regard to verification of compliance and possible sanctions against non-compliance, the State parties were of the view that further work needed to be undertaken. Accordingly, they agreed to reconvene the Conference no later than September 1993 and to establish an intersessional working group, composed of 15 to 20 countries, in order to continue the consideration of verification of compliance of a comprehensive test-ban treaty. The working group will submit a report to the Conference at its reconvened session.
