UNITED STATES OF AMERICA

Amendment to the U.S. Outline of Basic Provisions of a Treaty on General and Complete Disarmament in a Peaceful World (ENDC/30 April 18, 1962) relating to Nuclear Disarmament in Stage I.

Stage I, Section C, Nuclear Weapons

1. Replace the present text of sub-paragraph 2a. Transfer of Fissile Material to Purposes Other Than Use in Nuclear Weapons, by the following:

"a. Upon the cessation of production of fissile materials for use in nuclear weapons, the United States of America and the Union of Soviet Socialist Republics would each transfer to purposes other than use in nuclear weapons agreed quantities of weapons grade U-235 from past production. The United States of America would transfer ______ kilograms, and the Union of Soviet Socialist Republics would transfer ______ kilograms of such weapons grade U-235. For this purpose, "weapons grade U-235" means the U-235 contained in metal of which at least 90 per cent of the weight is U-235."
