School Coordinators,

Its course renewal time! Before **January 31, 2023**, please review your school's information in the attached lists of approved courses. Mark on the PDF to indicate the courses you want to renew for 2023. Return the PDF back to us via email to [kreceducation@ks.gov](mailto:kreceducation@ks.gov). You may also make changes to the school contact information, if needed. There is no fee to renew.

Reminder:

All Kansas Required Core courses taught on or after January 31, 2023 must follow the new outline located at: <https://krec.ks.gov/resources/educator-resources>. Per 86-1-11(e)(1), we need a new course application for the updated Kansas Required Core course. If you haven't done so already, you may send in your new course for approval prior to 1/31/23 and begin offering it once approved. Following 1/31/23, any outdated Kansas Required Core courses will not be renewed.

Let us know if you have any questions. Happy Holidays!

Hello Jennifer,

I just wanted to follow up on this as I believe we have usually received a approval certificate in the past when our courses renewed. Should I expect to see that once the course has been renewed?

Sincerely,
