Re: Request for Exemption from Regulation

Dear InterNACHI:

This letter serves as the notification of the determination from the Division of Private Occupational Schools ("Division") concerning InterNACHI's request for exemption from State regulation by the Division as set forth in the provisions of Title 23, Article 64 of the Colorado Revised Statutes.

InterNACHI has supplied the required forms and supporting documentation in support of its request for an exemption for home inspection training programs. Further, InterNACHI cited the following exemption listed in CRS 23-64-104:

1 (h) Education offered by a bona fide trade, business, professional, or fraternal organization that primarily benefits the organization's membership or mission;

This is to advise you that after reviewing the request and supporting documentation submitted in support of exempt status, it is the determination of the Division that InterNACHI is exempt from state regulation under §§ 23-64-104. It will not be necessary to submit an annual compliance report. **Please advise us immediately of any substantial change in the direction and / or content of your curriculum.**

If you have any questions about this matter, please contact me. Thank you for your understanding and cooperation.

Sincerely,

*LISA COMBS*
