

HEALTH AND SAFETY PROTOCOLS STARTING FALL 2021

ARE MASKS REQUIRED?

- According to Indiana Department of Health guidelines, masks are recommended indoors for all unvaccinated individuals. At Central Nine, masks are recommended for unvaccinated individuals (but not required).
- At any time, under the direction of the Johnson County Health Department, masks may be required.

WHAT HAPPENS IF I TEST POSITIVE? ★

- Positive cases will require a 14-day quarantine.

WHAT IS THE PROCESS FOR CONTACT TRACING? ★

- Students and faculty who are contact traced will need to quarantine for 14 days unless they are asymptomatic **and** vaccinated.
- If a student or ★ faculty member has been contact traced, he/she will have the opportunity to opt out of a 14-day quarantine by providing proof of vaccination.

WILL THERE BE AN ONLINE OPTION AT CENTRAL NINE?

- No. Central Nine is a Career and Technical Education (CTE) organization and must adhere to the CTE standards set by the Governor's Workforce Cabinet. This means that in-person training and laboratory experiences are required as a part of the curriculum.

COVID-19 SYMPTOM CHECKER

- Fever/chills ^{100.4 degrees or higher}
- Cough
- Shortness of breath
- Fatigue
- Muscle/body aches
- Headache
- Loss of taste/smell
- Sore throat
- Sinus congestion
- Nausea/diarrhea
- Vomiting
- Runny Nose

- Students should check their temperatures daily before coming to campus.
- Students must be fever-free for 24 hours, before returning to campus.
- ★ • Central Nine may ask for a negative test result to return to campus if a student or faculty member is not vaccinated.

COVID-19 POINT OF CONTACT

These individuals will communicate with parents, our partner schools, health department, etc.
