Dear Members of the Mt. Vernon Community School Board,

We have recently received a donation from the Indiana National Guard in support of a newly created club which will bring a robotics team to MVHS. The National Guard uses PayPal to make their donations; however, as MVCSC does not have a PayPal account, the donation was made to MVHS teacher Aaron Amos, who is now depositing the donation funds in the MVHS Robotics account. I kindly ask that the board accept these donations to help support the students of MVHS.

Best regards,

A handwritten signature in black ink that reads 'Casey Dodd'. The signature is written in a cursive, flowing style.
