## School Board of Trustees Meeting

10-2021

### GREAT NEWS IN THE DISTRICT

#### School Accolades & Notable Activities

- MVHS won a Gold 2021 College Success Award from GreatSchools.org for their excellence in preparing students for college and beyond. The “gold” signifies a multiyear track record of college success as determined by college preparation and postsecondary data.
- Mr. James Cochra, MVHS JAG Teacher, was recently selected as a Claes Nobel Educator of Distinction by the National Society of High School Scholars for being an exemplary role model for students. He was nominated by a student for his outstanding dedication and commitment to excellence in the profession.
- Homecoming night was celebrated with a win, float parade and Gehrig Slunaker and Madison Swingle being named the King and Queen, respectively.
- MCE successfully opened the new cue for parent drop-off/pick-up today, keeping the cars off the road.
- Through their many fundraisers and work efforts, the Marauders Athletic Club donated \$30,000 to support Mt. Vernon Athletics.
- All five schools earned a “Highly Effective Schools” Accreditation from Solution Tree. This significant achievement reflects all five schools’ commitment to reaching and maintaining the highest levels of educational quality. They earned this by maintaining and growing identified areas having the biggest impact on student learning and growth which are directly aligned to the Professional Learning Communities at work and the High Reliability Schools framework.
- MVHS Girls Cross Country advanced to semi-state as a regional runner-up, and Boys Cross Country brought home the regional title.
- MVHS Football team is the back-to-back Hoosier Heritage Conference Champs for the first time in program history.

#### Community Connections

- Special thanks to Hancock Regional Hospital and Wilburn Medical for donating medical supplies for the MVHS Health Science classes.
