Mr. Kevin Kimmel  
Superintendent  
Mid-Ohio Educational Service Center  
890 West 4<sup>th</sup> Street  
Mansfield, Ohio 44906

Dear Mr. Kimmel,

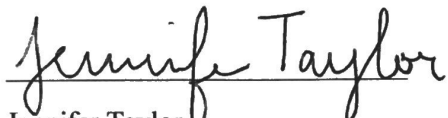

Please accept this letter as official notice I will be resigning from my position as a speech language pathologist at Mid-Ohio Educational Service Center effective July 17th, 2020. My husband and I will be moving to Ann Arbor, MI because he has accepted an offer from the University of Michigan to pursue a Ph.D. in Geology.

I appreciate the opportunities and foundation that MOESC has given me as a therapist in this early part of my career. I am grateful for the support and smooth transition that Mid-Ohio and my mentor provided throughout my time as a clinical fellow during the 2018-2019 school year. The experience and relationships I have gained at Madison South Elementary have developed my therapeutic skills and challenged me as a professional within the educational setting.

I am deeply saddened by the effects of COVID-19 on my position and greatly miss all my students. With considerations for extended school year needs within Madison or other districts, I would be thrilled to remain part of the MOESC team to provide services as necessary during the summer.

I wish you, and the MOESC team all the best and success as we continue to navigate this challenging time for all our districts.

Best regards and well wishes,

  
Jennifer Taylor
