

April 15, 2020

Dear Dr. Smith and Board Members,

I am writing to notify you that I will be resigning from the Title I position at MCS at the end of my contract for the 2020 school year.

I greatly appreciate the opportunities that MCS has provided for me and my family. When I started at MCS, I was working part time as a PE teacher for the IS program. Each year God continued to open doors for me. I loved teaching PE, but I found that I had a greater love for teaching students who struggle academically. My students have given me great pleasure over the years. The support and encouragement that I received from the administration I worked under (Charlene Eder, Linda Hoeflich and Mandy Wushinske), during my time at MCS has been a blessing to me that I will never forget. Their leadership, faithfulness, encouragement, dedication and the way they showed appreciation for my work has given me confidence for my next journey. I never dreamed that I would go back to school at this stage in my life to become an Intervention Specialist, but here I am doing just that! The last couple of years I felt like God has been calling me to go back to college and get my Intervention Specialist license, and I have been resisting. After lots of prayer, this year He has made it crystal clear that I need to become an Intervention Specialist. Although I will sincerely miss my position, colleagues, students, and all MCS has to offer, I feel it is time to move on to a new challenge and get my Intervention license.

If I can be of any assistance during this time of transition, I'd be happy to help.

Sincerely,

Susie Byler
