PIONEER DESIGNATED AS PURPLE STAR SCHOOL

The Purple Star Award for military-friendly schools recognizes schools that show a major commitment to students and families connected to our nation's military. Schools that earn the award will receive a special Purple Star recognition to display onsite. The work to obtain the designation as a military-friendly school came from the work of the Student Services office and particularly Mr. Dan Dornbier who is the school's point of contact for military students and families and all military personnel.
