# STUDENT ACHIEVEMENT REPORT

SUBMITTED BY DENA L. KIRBY, SUPERVISOR

## STUDENT ACHIEVEMENT HIGHLIGHTS

- **PIONEER STUDENTS OF THE MONTH.** Pioneer Career and Technology Center has chosen students Cheyenne Bowman and Raven Crawford as Students of the Month.
- Bowman is a senior from Crestline High School and was nominated by her lab teacher, Kip Stevens. She is enrolled in the Welding Program and is the daughter of Robert and Donelda Bowman. Bowman is a member of Crestline's Bowling Club as well as a Pioneer SkillsUSA officer who loves to volunteer! Whether she's painting houses, doing yard work, cooking/serving, building barns, or working at a nursing home, she loves giving back. "I never thought I would be a SkillsUSA officer, have good grades be Student of the Month, or even go to college, but thanks to Pioneer, I have been motivated to take a new path in life. I am proud to be a Pioneer student," said Bowman.
- Crawford is in the Carpentry Program and was nominated by her lab teacher, Doug Zimmerman. The Galion High School junior is the daughter of Jassen Crawford. She is part of Galion's basketball, track and tennis teams. She is also the treasurer for the Junior Class and a member of FCCLA. Crawford is active in 4-H, Junior Fair Board, and as a camp counselor. She said, "At Pioneer, I have already experienced so much responsibility on the job site. People expect more, being a girl in this field, so being at Pioneer has helped put me ahead of others in this field.
- **ADULT EDUCATION STUDENT OF THE MONTH.** Tina Eyster of Bellville was chosen of the Adult Education Student of the Month. She is enrolled in the Medical Office Technology Program. Eyster enrolled in the program in hopes of securing a career in a related field, preferably with Hospice. She was nominated by her instructor, Cindy Bodkin, who said that she not only completes required assignments but completes additional activities in the book and on the computer. Eyster said, "I have enjoyed every class; the teachers have been wonderful. I am honored to have been chosen."
- **HOLIDAY CARD DESIGNED BY PIONEER STUDENT.** Shawnee Gauze, a Plymouth student in the Senior Graphic Arts Program, designed this year's holiday card that Pioneer sends each year. Her design was chosen from over 50 submissions.
