Partner Benefits

Earn 20% For Customers You Send Our Way

Minute7 will pay 20% of the revenue from new customers you procure. Customers must enter their billing information during or before their 30-Day Free Trial expires to be eligible for payment.

Provide Added Value

If you are a book keeper or accountant, you can offer Minute7 as an additional service offering and create an additional revenue stream for your company.

How It Works

- 1 You provide your customers with a promotional code of your choice and you get credit for their signup. It's that easy.
- 2 Minute7 will provide a report of your earnings each month within 3 business days after the first day of the month, delivered via email.
- 3 Minute7 pays you by check, direct deposit, or PayPal. A minimum amount of \$25 will be required for payment to be issued. Funds will simply accumulate until you reach the minimum amount.
