**MONTAGE HOTELS & RESORTS CONTINUES 15-YEAR
ANNIVERSARY CELEBRATION WITH “A TIME TO REMEMBER”
EXPERIENCE FOR WATCH ENTHUSIASTS**

One-of-a-kind Experience from Montage Beverly Hills and Officine Panerai just in time for Father’s Day

ORANGE COUNTY, CALIF. (May 17, 2018) – **Montage Hotels & Resorts** has unveiled the **“A Time to Remember”** exclusive package, a special experience from **Montage Beverly Hills** and **Officine Panerai** for watch collectors just in time for Father’s Day. The exceptional package includes a private shopping experience at the Panerai Boutique on Rodeo Drive with world famous Italian celebrity stylist, **Ilaria Urbinati**, and a three-night stay in the Montage Suite at Montage Beverly Hills. This is the latest of an exclusive series of unique experiences created in celebration of the 15-year milestone anniversary of Montage Hotels & Resorts.

Offered by Officine Panerai and Montage Beverly Hills, “A Time to Remember” unfolds as a true VIP experience for the ultimate timepiece enthusiast. Along with the shopping experience and personal styling session with Urbinati – who has dressed everyone from Dwayne “The Rock” Johnson to Bradley Cooper, Ryan Reynolds and more – Urbinati will aid in designing a quintessential, custom “Watch Wardrobe,” evaluating personal style, dressing needs and providing tips on how to style the selections. The shopper will pick a selection of watches from Panerai’s four iconic collections, including Luminor, Luminor 1950, Luminor Due and Radiomir.

“A Time to Remember” includes:

- Three nights in the Montage Suite at Montage Beverly Hills, located in the heart of the Golden Triangle of Beverly Hills with incredible views of the Hollywood Hills and daily breakfast for two
- Private shopping experience with world-famous celebrity stylist Ilaria Urbinati

- Up to \$100,000 in Panerai watches
- Champagne and light fare in the Panerai Boutique

Founded in Florence in 1860 as a workshop, boutique and school of watch-making, Officine Panerai supplied the Italian Navy and its specialist diving corps with precision instruments for many decades. The designs developed by Panerai during that time, including the Luminor 1950 and Radiomir, were kept confidential by the Military Secrets Act for many years until they were launched on the international market after being acquired by the Richemont Group in 1997. Today Officine Panerai develops and crafts its movements and watches at its Neuchâtel manufacture, seamlessly melding Italian design flair and history with Swiss horological expertise.

Throughout 2018, Montage Hotels & Resorts will continue to announce unique experiences available for a limited-time only. The brand also encourages past, present and future guests to join in the excitement of the 15-year anniversary by following @montagehotels and sharing their favorite Montage Memories on social media using #MontageMemory15. Special gifts and giveaways will be revealed throughout the year.
