<p>The purpose of being a member of Nevada Wells Cooperative is to protect your well. The Nevada Wells Cooperative (NWC) is a Non-Profit 501(c)(12) Water Cooperative, Member-Owned and Operated utility company. Your well may be at risk if dues are not paid on time as agreed. Dues are \$60 annually for full membership of an initial well, \$30 annually for each additional well and \$20 annually for an Auxiliary membership. Being a member in good standing gives you voting rights, protection from being forced to meter your well, pay for the connection to city water utility company or pay to have your well capped. Please, we urge you to protect your well by being a member in good standing. Thank you.</p>
