

Group By	Total: Count	Total: Sum of Expense	\$3,622,039.69	Total: Sum of Deposit	\$3,608,496.89	Total: Sum of Balance	-\$13,558.47
Reconcile Checked	55		\$37,545.62		\$9,904.16		-\$27,641.46
Empty	160		\$49,911.51		\$70.00		-\$49,857.18
Yes	7090		\$3,534,582.56		\$3,598,522.73		\$63,940.17

05-28-18

The circled amount should not change between reconciliations. Is there a way to add a warning/error message in a pop-up window that warns the user that they "are about to change the existing value of a calculated field," (Such as the "Sum of Balance" field circled above.) "Do you wish to continue? YES NO"

We only need this to happen in the field noted above - no others.

Thank You. - What lies ahead 2017 @ gmail.com.
