

A beach scene with a sandcastle and a beach ball. The sandcastle is on the right, with two red flags on top. A beach ball is on the left. The background is a bright blue sky and ocean.

Requirements for Prescribing and Distributing Medications for STD Treatments in Clinical and Non-Clinical Settings

Tuesday, August 20, 2019
9:30 a.m.

Learning Objectives:

1. Learn the basic rules and statutes that govern administration of medications in clinical settings.
2. Describe appropriate safety and best practice guidelines for medication administration when treating STDs in clinical and non-clinical settings.
3. Discuss how rules and best practices for treating STDs impact services at your current site
