

For illustrative purposes only.

*Mock up to depict request for pop-out Chat (or Show Conversation) and pop-out for Participants (or Show Participants).*

Current capability (showing current meeting pop-out feature) from MS Teams Multi-Window Meetings features. *Notice with multi-window meeting enabled, Teams automatically created a new window when a meeting was joined.*

Current meeting pop-out feature still has Chat or Show Conversation fixed to the right side of the meeting window that popped out.
